LinkedIn: <https://www.linkedin.com/in/melissajwomack/>

Portfolio: <https://melissajwomack.github.io/portfolio-v2/>

Motivated Full Stack Web Developer with an aptitude for problem solving. Naturally inquisitive and an analytical thinker. Believer of lifelong learning and continued education. While earning a bachelor's degree in microbiology, performed undergraduate research, requiring skills in data analysis, and project management. Eight years of experience in the U.S. Army demonstrating the ability to remain disciplined, detail oriented and a team player. Excited to utilize my technical skills and past experiences to deliver quality products and user experiences.

*Technical Skills:* JavaScript, HTML5, CSS3, Media Queries, JSON, AJAX, MySQL, MongoDB, Firebase, jQuery, Node.js, Express.js, Handlebars.js, Inquirer.js, React.js, REST, APIs, PHP, Laravel, Materialize, Bootstrap, Git, GitHub, Heroku
